## **SPORTS MEDICINE PROVIDERS**

**THE 22<sup>nd</sup> ANNUAL SHOPRITE® NUTMEG STATE GAMES SPORTS MEDICINE  
TEAM REQUESTS YOUR HELP!**

**No Experience Necessary!**

**All new volunteers will be proctored by experienced  
volunteers!**

The Nutmeg State Games will take place in New Britain from July 22 thru August 1. We are now recruiting qualified providers for the sports medicine team.

If you have the expertise for providing exceptional care on an interdisciplinary sports medicine team; if you have the passion to help young and seasoned athletes in need of good sports medicine care; if you have the good will to contribute your expertise for the benefit of the athletes and Connecticut's Olympic style sports festival, then we invite you to join our sports medicine team.

Our team includes dedicated professionals from the following fields: athletic training, chiropractic, medicine, osteopathy, naturopathy, podiatry, physical therapy, nursing, massage therapy, emergency medicine and occupational therapy. You'll watch the competition from the sidelines and courtside; observe the small and big hits, twists and bangs; and be on your toes to care for the athlete in need. You'll help insure the health and safety of the athletes to compete at their full potential.

Please review the schedule and indicate your dates and times of availability. First aid and sports medicine supplies and medi-bags will be provided. If you have your own bags, then supplies will be provided where needed and available.

On behalf of the Nutmeg State Games we appreciate your participation on the sports medicine team and look forward to working with you to help keep Connecticut's athletes healthy, fit and ready to go for the Gold!

Sincerely,  
Greg Bruno, D.C.  
Medical Director
